How's your Blood?

PIMPLES AND ERUPTIONS MEAN BAD BLOOD

People who have impure or impoverished blood should be careful to take only a vegetable and temperance remedy such as Dr. Pierce's Golden Medical Discovery is and has been for nearly 50 years. Its ingredients printed on wrapper.

The first day you start to take this reliable medicine, impure germs and accumulations begin to separate in the blood and are then expelled through the eliminative organs.

In place of the impurities, the arteries and veins gradually get fresh vitalized blood and the action of this good blood on the skin, means that pimples, boils, carbuncles, eczema, rash, acne, and all skin blemishes will disappear. Then you must remember that when the blood is right, the liver, stomach, bowels and kidneys become healthy, active and vigorous and you will have no more trouble with indigestion, backache, headache.

Get Dr. Pierce's Golden Medical Discovery to-day at any medicine dealer's, in tablet or liquid form, or send Dr. Pierce, Buffalo, N. Y., 10c for trial package.

Then I took the 'Discovery' for two months and the spells of severe pain were relieved. I was not in need of any more morphine."—Mrs. G. W. Baycz, 427 West Noble St.

To arrest rheumatism it is quite as important to improve your general health as to purify your blood, and the cod liver oil in Scott's Emulsion is nature's great blood-maker, while its medicinal nourishment strengthens the organs to expel the impurities and rebuild your strength. Scott's Emulsion is helping thousands every day who could not find other relief. Refuse the alcoholic substitutes.
